

# War In Ukraine: You Can Be A Lifeline

As Ukraine fights to survive, and millions of families seek shelter in basements, train stations and churches, they need us. They need *all* of us.

**Join us today in an urgent mission of faith and hope.**

At CNEWA, we are working with our partners on the ground, to offer food, shelter and healthcare to men, women and children living with the ravages of war. The world they knew is crumbling around them. They need us. And we need *you*.

We cannot let their cries for help go unanswered. Please stand with us as we stand with them and do everything possible to save lives and bear witness to God's love and mercy in a merciless world.

“Please, please let us not get used to war,” Pope Francis said on Easter Sunday. “Let us all commit ourselves to imploring peace, from our balconies and in our streets. May the leaders of nations hear people's plea for peace.”

Thank you for your support and your prayers!
