

Stand With Them

Catholic Near East Welfare Association (CNEWA) stands with Ukraine's churches as they tend to the needs of all those in harm's way, regardless of their faith.

We are rushing funds to help them provide food, medicine, hygienic kits, clothing and shelter for the wounded and displaced.

We are also working with leaders of the local churches in neighboring countries as they receive and care for a staggering number of refugees.

Your prayers and gifts will care for our brothers and sisters whose lives have been upended by the madness of war.

Will you help us stand with them?
